4 ton/460 volt R 22 8 yrs old HVAC unrepairable due to leak in coil; coil availability almost non-existent due to limited production and age of present HVAC

**Project Category:** HVAC

**Are any of the above-described issues in buildings or part of buildings that are leased to another entity, including a district sponsored charter school?** N

**Available Funding** Was money to address this issue included in your adopted budget for this fiscal year? **N**

Current unencumbered building renewal fund balance (Fund 690):	\$1,869.13
Current fiscal year building renewal expenditures:	\$0.00
Current balance of unrestricted capital:	\$29,356.00

Please outline any associated insurance coverage.

The district does not have sufficient funds to cover this project. With the weather change and the temperature rising, the health and safety of students and staff for this room is compromised. The remaining \$29,356 unrestricted is earmarked for common core requirements and the \$1869.13 in BRF is earmarked for fire panel certification
